

## ROUTES TO DISS METHODIST CHURCH.

### A. From Thetford

Come in through Roydon on A1066. Pass the old road and the turning into the Council estate, both on your left. Keep straight on at the roundabout and go past the park (on your left) to the traffic lights. There is no left turn at the first lights. Turn left immediately after the second lights where there is a pedestrian refuge. The church is then on your right.

### B. From Attleborough

Come in on B1077 via Winfarthing and Shelfanger. Keep on to the cross roads (Crown Inn where the left turn is to the Town Centre) and keep straight on down the hill until you reach the main A1066 at a roundabout. Turn left past the park to the traffic lights (where there is no left turn) then turn left at the second lights where there is a pedestrian refuge. The church is then on your right.

### C. From Norwich

Join the A140 dual carriageway Scole by-pass at a roundabout. Turn right at the next roundabout, signposted to Diss. Straight on at traffic lights and straight on past the pedestrian lights outside the swimming pool to more lights where you turn right immediately after the first light pillar.

### D From Ipswich

(a) At the roundabout where the A140 becomes dual carriageway (i.e where it meets the A143), turn left (despite any signs to Diss straight on). At the next roundabout, turn right into Diss on B1077. Where this meets the main road at a T-junction, turn left and keep on past the pedestrian lights outside the swimming pool to the traffic lights, where you turn right immediately after the first light pillar.

(b) If you don't mind the narrow road, take the left fork after Brome Grange, signposted Stuston. At the roundabout where this crosses A143, go straight over. Where this meets A1066 at a T-junction, turn left and keep on past the pedestrian lights to traffic lights, where you turn right immediately after the first light pillar.

### E From Gt. Yarmouth & Bungay

At the roundabout where A143 meets A140, keep straight on (despite any signpost to the right for Diss) to the next roundabout. There turn right on to B 1077. Where this meets A1066 at a T-junction, turn left and keep on past the pedestrian lights outside the swimming pool to the traffic lights, where you turn right immediately after the first light pillar.

### F From Bury St. Edmunds

Pass right through Wortham on A143 (series of bollards in middle of road) then turn left for Palgrave & Diss (large sign). In Palgrave turn left (marked as crossroads signposted Roydon) before the Church (or after if you miss the turn) and keep going until you cross the bridge into Diss (do not turn off left at any point before the bridge). Go past the Green until you meet A1066 (bollards) turn right, and keep straight on at the roundabout until you come to the traffic lights. There is no left turn at these lights. At the next lights, where there is a pedestrian refuge, turn left. The church is then on your right.
